Thirst for Novelties. The curse of modern life-the thirst for the new, the rage to get out of the old skin-is the blight on our literature, our art, our drama, our manners even our morals. It is a passion without aim, or conviction, or feeling -a mere restless itch to get free from old habits and to get into something uncommon, it hardly matters what, if only it can announce itself as "unconventional."-Washington Times.

Plague of "Spitting Snakes." In the region round Bahr-el-Ghazal, Soudan, during the last two years "spitting snakes" have made their appearance in great numbers. Many natives have been temporarily blinded by thuse anakes during that period. At first the eyes are painful, but the effect of the poison begins to decrease after a treatment continued for seven to ten days.

"Same to You." Addressing the boys on the eve of the holidays, the headmaster of a London elementary school wished them a merry Christmas and a happy New "The same to you, sir," they responded. "And be careful not to eat too much pudding," was his parting "Same to you, sir!" yelled the young hopefuls.

The Caret in Business The weight of a carat is four grains troy, but the value of a diamond parat is an uncertain quantity, deng on the quality, purity, cutting

Experimental Roof Garden

One of the most remarkable gardens in the world is established on the roof of the Philadelphia College of Pharmacy. There a botanist is experimenting with the use of drugs on plants, to determine the possibility of growing under artificial conditions plants from which valuable drugs are taken, and also to learn what effect drugs and chemicals have on plants.

# CANFIELD, OHIO.

# SHERWIN-WILLIAMS Brighten Up Finishes

DRACTICALLY everything in and about the home can be made to look bright and new and clean with the right paint, varnish stain or enamel. The housewife and the householder can do much of this work with very little expense and a great deal of pleasure. There is, however, one important thing to remember: use a finish that is made expressly for the work you want to do. Do not buy a product that is made for a variety of

uses or surfaces. Sherwin-Williams Brighten Up Finishes are made for finishing tables, chairs, walls, floors, pipes, picture frames, shelving and hundreds of other articles and surfaces in and about the house. Each is a specialty—made for a particular purpose. Each contains the essential qualities that

All you need to remember is "Brighten Up Finishes." Come in and we will be glad to give you the paint or varnish made expressly for the article or surface
